2024 Summer Camps

June

Camp	Description	Cost
STEM Camp June 3 rd - June 7 th ; 9:00-12:00 Rising 2 nd graders and up Instructor: Lesley Baxter	Calling all scientists! Learn all about the four components of STEM education! Science, Technology, Engineering & Math are incorporated into fun building projects, challenges, and games as students learn together! Learn basic computer coding – both connected and unplugged – with real robots! Students need to bring a lunch.	\$175
Slime Camp June 5 th - 7 th , 1:00-3:00 Ages 7+ Instructor: Maura Smith	At Slime Camp, students will enjoy fun with slime while creating a new recipe each day! They will explore a variety of slime-based activities and even some ooey gooey treats!	\$140
Kindergarten Bootcamp June 10 th -13 th ; 9:30-11:30 Rising kindergarteners Instructor: Cindy Windsor	A four-day program designed to give entering kindergarteners the opportunity to experience a classroom setting and practice being a student before starting school. We will review key academic kindergarten concepts while practicing social-emotional skills like sharing, lining up, transitioning and group work. A must for students entering kindergarten this fall!	\$160
Dr. Suess Reading Camp June 10 th -13 th ; 12:30-2:30 Rising 1 st /2 nd graders Instructor: Cindy Windsor	The perfect camp to give a boost to your young reader! In this camp, students will gain greater phonemic awareness and strengthen fluency skills while participating in fun, engaging Dr. Seuss activities! Be ready for school this Fall!	\$160
LEGO Camp June 18 th -21 st ; 10:00-11:30 Ages 5 and up Instructor: Amanda Humphrey	Refine your construction skills as you tinker with thousands of LEGO pieces! Each day we will connect literature and LEGOS as we first explore a book and then tackle a challenge building something right out of the story. Expect some fun “free build” competitions as well!	\$150
Explorer Training Camp June 17 th – 21 st ; 10:00-11:15 Ages 2-8 years old (AND a guardian) Instructor: Amanda Piasecki	This nature-based camp is designed for even the youngest of playful learners! This five-day camp is made for little explorers AND their adult “guides” to enjoy together. Explorers will be introduced to a variety of science concepts all through joyful and purposeful play scenarios! <i>NOTE: This camp is held at the pavilion behind Revolution Church located at 3644 Hwy31W, just six minutes from Elevate Enrichment. An adult guardian is expected to stay with your explorer during this camp.</i>	\$115/ 1 st child, \$58/ sibling
3rd & 4th Grade Reading Camp June 17 th – 20 th ; 12:30-2:30 Rising 3 rd & 4 th Graders Instructor: Breeze Hager	Avoid the “summer slump” and share the joy of reading with us as we explore reading strategies. We will work on building more complex reading skills, comprehension strategies, and build on already established phonics skills. The perfect boost for students headed into third or fourth grade!	\$160
Arts & Crafts Camp June 25 th -28 th ; 10:00-11:30 Ages 5 and up Instructor: Amanda Humphrey	Join us for a week of creative fun! We will work with a variety of art mediums to make masterpieces you will surely treasure! Come dressed knowing we are bound to get messy! We will finish out the week with an Art Show for our parents to share what we have created!	\$150
Fashion Art Camp June 24 th -27 th ; 10:30-12:00 Ages 9 -14 years Instructor: Robbie Botts	Students will feel like fashion designers during this hands-on class of drawing techniques as they learn about color matching, color theory, and various styles of clothing. Students will work on a fashion portfolio showcasing their work to take home at the end of the week.	\$150

July

Camp	Description	Cost
<i>Sensory Sensation Camp</i> July 8th & 9th; 10:00-11:30 Rising Kindergarten thru 5th grade Instructor: Amanda Piasecki	Calling all sensory seeking kids! This sensory sensation wonder lab is perfect for kids who love getting their hands messy! This class is where science meets creativity. We'll have two days packed with immersive hands-on activities. Among other activities, each student will also make a themed sensory bin, a galaxy bottle, and a fidget ball they'll get to keep!	\$75
<i>Wonders of Water Camp</i> June 10th – 12th; 1:00-3:00 Ages 5+ Instructor: Maura Smith	Students will enjoy multiple water-based activities at our Wonders of Water Camp! Each day will be a different theme and students will complete art projects and science experiments using water. Come dressed in play clothes for an outdoor splash party on our last day!	\$140
<i>Hand Sewing Camp</i> July 15th – 18th; 10:00-11:30 Ages 6 – 10 years Instructor: Robbie Botts	Students will make a variety of crafty items while learning important hand stitch techniques. Projects include button art, fabric envelope, tissue holder, tooth fairy pillow, and more!	\$150
<i>Beginner Machine Sewing</i> July 15th – 18th; 12:30-2:00 Ages 8 – 14 years Instructor: Robbie Botts	Learn how to sew on a sewing machine! Students will make a drawstring bag, throw pillow, pencil case and a pincushion as they learn how to properly operate a sewing machine!	\$150
<i>Wacky Science Camp</i> July 22nd-25th; 9:00-11:30 Rising 3rd to 6th graders Instructor: Breeze Hager	Join us for an exciting and engaging experience in our Wacky Science Camp! Each day, we will demonstrate new and unique experiments that are both cool and hands-on. Get ready to dive into a world of fun science activities, including dissecting owl pellets, exploring gravity, and much more! Through these experiments, students will learn and experience the scientific method in a completely new way. Come and explore with us!	\$175
